This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

INTRODUCTION.

Since the beginning of the war with Spain, April 21, 1898, Michigan has raised five regiments, or nearly 6500 men, and in the Naval Reserves over 300 men, embracing the finest young blood of our State.

The Michigan regiments were organized at Camp Eaton, Island Lake, and the memory of life in the tented city is one that the soldiers will treasure as long as they live. It was the best camp in the United States. The record of our boys at this camp, and at Chickamauga, Tampa, and other Southern camps, is one that our State may well be proud of; while the record of those who participated in the bloody battles of the war adds another bright spot to our State's history.

The close of the war, August 12, 1898, found Michigan's sons on land and sea, freely offering their lives in defence of our country's honor, and carrying her flag to glorious victory.

In the following pages will be found the faces of our patriotic heroes, some of whom rest in soldier's graves forever beneath the sod, their memory enshrined in the grateful hearts of our people.

To those who enlisted, their families and friends, this memento is offered as faithfully representing the active participants of Michigan's part in one of the most stirring events of our country's history.

The Spanish-American War of 1898.

APRIL 11—President McKinley asked Congress for power to intervene in Cuba.

APRIL 19—Intervention ordered by Congress.

APRIL 20, 11:24 a. m.—Resolutions signed by the President.

APRIL 20—Ultimatum cabled to Minister Woodford.

APRIL 21, 7 a. m.—Beginning of the war.

APRIL 22, 5:45 a. m.—Admiral Sampson's fleet sailed from Key West to blockade ports of Cuba.

APRIL 22—First gun of the war fired by the gunboat Nashville.

APRIL 23—The President asked for 125,000 volunteers.

APRIL 29—Michigan Naval Reserves left Detroit for Newport News to man the auxiliary cruiser Yosemite.

MAY 1—A great naval battle fought in the harbor of Manila, Philippine Islands, and the Spanish fleet of ten vessels destroyed by the United States squadron, in command of Commodore George Dewey.

MAY 11—The gunboats Wilmington and Hudson and the torpedo boat Winslow in the first engagement in Cuban waters. Ensign Bagley and four other men of the Winslow killed.

MAY 12—Acting Rear Admiral Sampson's squadron bombarded San Juan, Porto Rico.

MAY 16—Thirty-first Michigan left Island Lake for Chickamauga.

MAY 19—Thirty-second Michigan left Island Lake for Tampa, Fla.

MAY 19—Arrival of Admiral Cervera and his squadron at Santiago de Cuba.

MAY 24, 10:30 p. m.—Arrival of the battleship Oregon at Jupiter, Fla., after a voyage of 13,000 miles from San Francisco.

MAY 25—The President's second call for troops—75,000.

MAY 28—Schley semi-officially reported by the auxiliary cruiser Harvard to be off Santiago de Cuba with twelve warships.

MAY 28—Thirty-third Michigan left Island Lake for Camp Alger, Va.

JUNE 3—Lieut. Richmond P. Hobson and seven men take the collier Merrimac into channel of Santiago and sink it there, so as to close the harbor and prevent the escape of the Spanish fleet.

JUNE 6—Thirty-fourth Michigan left Island Lake for Camp Alger, Va.

JUNE 10—The invasion of Cuba begun by the landing of 600 marines, after warships had silenced the enemy's forts at Guantanamo.

JUNE 11—American troops at Guantanamo attacked by the Spaniards, who were repulsed. Six Americans killed.

JUNE 13—The first expedition for Santiago left Key West, Maj.-Gen. Shafter in command.

JUNE 15—Second Manila expedition left San Francisco.

JUNE 20—Arrival of Gen. Shafter and his army off Santiago de Cuba.

JUNE 22—Gen. Shafter's army landed at Baiquiri.

JUNE 23—Companies F, I, K and L, First Battalion, Thirty-fourth Michigan, and the Thirty-third Michigan sailed from Newport News, Va., on the cruiser Yale for Cuba.

JUNE 24—Ten men were killed, including Capt. Capron and Sergt. Hamilton Fish, Jr., both of Col. Wood's Rough Riders, and about forty wounded, in a skirmish with 2,000 Spaniards.

JUNE 25—Gen. Chaffee took Sevilla.

JUNE 26—Second and Third Battalions of the Thirty-fourth Michigan sailed on the Harvard from Newport News bound for Cuba.

JUNE 27—Thirty-third Michigan and First Battalion Thirty-fourth Michigan landed at Baiquiri, Cuba.

JUNE 28—Yosemite forced ashore the transport Antonio Lopez off San Juan, Porto Rico, and came off victorious in a fight with three Spanish gunboats.

JUNE 30—Two battalions of the Thirty-fourth Michigan landed in Cuba.

JUNE 29—Gen. Merritt sailed from San Francisco.

JULY 1—Michigan troops participated in the assault on Santiago de Cuba.

JULY 1 and 2—A general assault on Santiago de Cuba by the army and by ships was begun at 7 a. m., the American troops capturing and holding the lines of the enemy.

JULY 3—Gen. Shafter demanded the surrender of the city of Santiago de Cuba.

JULY 3—Admiral Cervera made a dash out of the harbor of Santiago to cut his way through the American ships, and his squadron was destroyed and many men and officers were killed by the fire of the Americans, under Commodore Schley.

JULY 4—The Navy Department received a dispatch from Admiral Dewey announcing the arrival at Manila of the cruiser Charleston and the three transports, the City of Peking, the Colon and the Australia, with troops on board, on June 30. The squadron stopped at the Ladrone Islands and the Charleston bombarded the Island of Guam.

JULY 6—Lieut. Hobson and his Merrimac men exchanged.

JULY 6—Gen. Toral, commanding the Spanish forces at Santiago, sent a flag of truce to Gen. Shafter asking three days' grace and cable operators to notify Madrid of Santiago's desire to surrender, all of which was granted.

JULY 6—Rear Admiral Dewey chased the German cruiser Irene out of Subig bay with the Raleigh and the Concord.

JULY 7—Maj.-Gen. Miles left Washington for Santiago.

JULY 12—A flag of truce waved by Gen. Toral at Santiago and the truce granted by Gen. Shafter.

JULY 14—Santiago surrendered, the United States government agreeing to return to Spain all the prisoners of war.

JULY 17—The American flag was raised over the city of Santiago de Cuba.

JULY 21—News reached this country that the second expedition to reinforce Admiral Dewey had arrived at Cavite.

JULY 22—Troops C and A ordered to Porto Rico.

JULY 23—Another expedition for the Philippine Islands sailed from San Francisco.

JULY 25—Gen. Miles and 3,500 men reached Guanica, Porto Rico.

JULY 25—Gen. Nelson A. Miles landed at Guanica, Porto Rico.

JULY 26—Peace overtures made by Spain were announced by the authorities at Washington.

JULY 30—News of Gen. Merritt's arrival at Cavite received at Washington.

AUGUST 12—Peace protocol signed by M. Cambon, representing Spain, and Secretary of State Day for the United States, and the forces of both governments ordered to cease hostilities.
